UNITED NATIONS INTERNATIONAL LAW FELLOWSHIP PROGRAMME
5 July - 13 August 2010, The Hague/Netherlands

Dear Madam, Dear Sir,

I have the honour to inform you that the Codification Division of the United Nations Office of Legal Affairs is organizing the United Nations International Law Fellowship Programme, which is scheduled to take place in The Hague/Netherlands from 5 July to 13 August 2010. The 2010 Programme will be conducted in French.

The Programme aims to familiarize participants with current issues of international law and intends to update and deepen their knowledge in this field. Subjects to be covered will include, for example, international environmental law, international trade law, treaty law, international humanitarian law, international criminal law, international human rights law, peaceful settlement of disputes and the law of the sea.

The fellowships are primarily intended for participants from law faculties or various ministries and government agencies dealing with the activities of the United Nations system in their day-to-day work. Candidates from least developed and developing countries, as well as from countries with economies in transition are eligible for fellowships; additional places will be made available on a self-financed basis for candidates from other countries and international organizations. Kindly note that applicants originating from countries who benefited from a fellowship in 2009 are not eligible for fellowships in this year's Programme.

I should be grateful if the information leaflet providing more details about the Programme and the application form herewith enclosed could be circulated and brought to the attention of qualified young lawyers. Further information, as well as additional application forms can be obtained at: <http://www.un.org/law/ilfp>.

Interested candidates are requested to submit in duplicate the attached application form by Friday, 12 February 2010.

I thank you for your assistance in disseminating the information on this Fellowship Programme.

Yours sincerely,

Virginia Morris
